

CITY OF CHICAGO HEIGHTS

2018 SUPPLEMENTAL LEAF PICK-UP PROGRAM AND STREET SWEEPING

This service allows residents to rake leaves onto the **PARKWAY** in front of their homes on scheduled dates for pick-up by the city crews.

Before your collection:

- **TO AVOID FINES, PLEASE DO NOT RAKE LEAVES INTO THE STREET.**
- Place leaves in a narrow pile or row in the grassy area between the sidewalk and curb.
- If your area is without curbs, place the leaves within **5 feet** of the street.
- Avoid raking leaves into ditches or drainage swales.
- **To avoid towing, do not park your vehicles on the street on scheduled pick-up dates.**
- Leaves must be raked **onto the parkway** by 7:00 AM on the dates scheduled.
- Once your street has been cleaned, the city crews will not be back until the second scheduled date.
- Only **brown paper lawn bags** OR your Republic yard waste tote (green or blue) can be used between pick-ups.

The Street Department has divided the city into five sections for its supplemental leaf collection and city workers will pick-up leaves from the parkway according to a schedule that sets two separate dates in each of the five sections. The dates for placement of leaves on the parkway in each city section are as follows:

5 Monday, October 22nd & Wednesday, December 12th

This section is east of the Union Pacific Railroad tracks from 26th Street on the south to the City limits on the north.

4 Thursday, October 25th & Monday, November 19th

This section is bordered by Thorn Creek, Chicago Road and Dixie Highway on the west; the Union Pacific Railroad tracks on the east, 26th Street on the south, and Joe Orr Road on the north.

3 Wednesday, October 31st & Monday, November 26th

This section is west of Thorn Creek, between Route 30 on the north and the Elgin, Joliet and Eastern Railroad tracks on the south.

2 Tuesday, November 6th & Thursday, November 29th

This section is west of Chicago Road and Dixie Highway, from Route 30 on the south to Joe Orr Road on the north.

1 Tuesday, November 13th & Wednesday, December 5th

The entire section north of Joe Orr Road.

Please use these dates as a guide when preparing to rake your leaves for the City's Supplemental Leaf Pick-Up Service. Residents are still required to use the brown lawn bags for leaves OR use your Republic yard waste tote (green or blue) between these **SUPPLEMENTAL** pick-ups provided by the city. Thank You!

WRONG WAY TO RAKE LEAVES FOR PICK-UP

RIGHT WAY TO RAKE LEAVES FOR PICK-UP
