- Some Volunteers will need to climb, use a sledgehammer or carry heavy panels (about 70 pounds each)

## Volunteers for Shifts

Volunteers are here to serve the memory of those on The Wall and those in our communities. They are patient and ready to listen to the story, quick to offer assistance and even faster to provide a tissue. Shifts are 4 hours and begin July 6<sup>th</sup> at 2 PM through July 10<sup>th</sup> at 2 PM.

- Escort Volunteers (for the day of the arrival at our Honor Points throughout our 12 communities)
- Check in Volunteers for our Volunteer Tent
- Event/Ceremony Volunteers
- Parking Volunteers
- Mobile Education Site Volunteers (sharing information about Hometown Heroes and In Memory Program and Mobile Center...perfect for those unable to be in direct sunlight)
- Information Tent Volunteers (answering questions, looking up names, handing out brochures...perfect for those that cannot stand for long periods)
